

SOLIDARITY MESSAGE TO THE PEOPLE OF SUDAN

*“I will give peace in the land, and you shall lie down, and none will make you afraid.”
(Leviticus 26:6)*

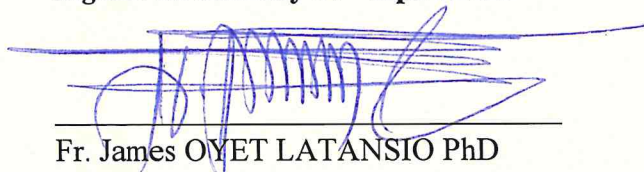

The Fellowship of Christian Councils and Churches in the Great Lakes and Horn of Africa (FECCLAHA) has received with deep concern reports of the Saturday 15th April 2023 clashes in the Republic of Sudan which may plunge the country into a prolonged conflict and further lead to serious abuse of Human Rights.

In solidarity with the Churches in Sudan, we express our deepest concerns over the immense disruption and country-wide crisis owing to the anxiety and grief experienced by citizens due to the loss of lives and property, the injuries, as well as the general destruction caused by this conflict.

Recognizing the universality of Human Rights, we in solidarity with the religious leaders of Sudan, appeal for dialogue between all stakeholders and urge the parties to initiate a cease fire. We call upon the international community to not only remain seized of the matter but also work towards building synergies for unity and return normalcy.

Our prayers for strength, hope and peace go to the beloved citizens of the Republic of Sudan. May the peace of the Lord be with you all.

Signed on Monday 17th April 2023
